

“Flat for Flat Pilot Scheme for Elderly Owners” Introduction Leaflet

1 Background

1.1 The Hong Kong Housing Society (“HS”) has launched the “Flat for Flat Pilot Scheme for Elderly Owners” (“Flat for Flat Pilot Scheme”) in 2019. This Flat for Flat Pilot Scheme aims to facilitate the circulation of subsidized sale flats by allowing owners aged 60 or above who have owned a flat of designated subsidised sale developments of HS with premium unpaid (“the Flat”) for ten years or above to sell their original Flat in HS’s Flat-for-Sale Scheme Secondary Market Scheme (“FFSS Secondary Market Scheme”) with premium unpaid and then purchase a flat with area smaller than their original Flat (“New Flat”) in HS’s FFSS Secondary Market Scheme or Hong Kong Housing Authority’s (“HA”) Home Ownership Scheme Secondary Market Scheme (“HOS Secondary Market Scheme”).

2 Summary

2.1 Key mode of operation

Note 1 If owner had already successfully obtained a “Certificate of Availability for Sale” prior to Flat for Flat Pilot Scheme and has not used this certificate, the said owner needs to apply for the “Trade Down Permit” only but not the “Certificate of Availability for Sale”. See below paragraph 2.3.

- 2.2 The Flat for Flat Pilot Scheme is applicable to the following HS's subsidised sale developments with premium unpaid:
- "Flat-for-Sale Scheme" flats: Healthy Village Phase I, Healthy Village Phase II, Ka Wai Chuen Phases III & IV, Clague Garden Estate, Broadview Garden, Cronin Garden, Verbena Heights, Bo Shek Mansion, Lakeside Garden, Kai Tak Garden Phases I & II and Kingston Terrace.
- 2.3 Interested owner must first apply to HS for both "Trade Down Permit" and "Certificate of Availability for Sale". Owner who is currently holding a valid "Certificate of Availability for Sale" is only required to fill in the Certificate Number of the valid "Certificate of Availability for Sale" at the designated space on page 1 of the "Trade Down Permit" application form upon application to HS.
- 2.4 Upon completion of vetting on eligibility, HS will issue the "Trade Down Permit" and "Certificate of Availability for Sale" (if applicable) to eligible owner.
- 2.5 Owner who holds a "Trade Down Permit" and "Certificate of Availability for Sale" issued by HS can sell his/her original Flat in the FFSS Secondary Market Scheme to a valid holder of "Certificate of Eligibility to Purchase" without payment of premium at any time from date of "Trade Down Permit".
- 2.6 For the sale transaction on the FFSS Secondary Market Scheme under the Flat for Flat Pilot Scheme, owner shall be subject to prevailing policy and operation mechanism of the FFSS Secondary Market Scheme.
- 2.7 **Owner will have to arrange for the accommodation by himself/herself at his/her own costs during the transitional period (i.e. from the completion of the sale of the original Flat up to the completion of the assignment for sale and purchase of the New Flat in the FFSS Secondary Market Scheme or HOS Secondary Market Scheme).**
- 2.8 After completion of the assignment for the sale and purchase of the original Flat, applicant can apply to HS for a "Certificate of Eligibility to Purchase" and/or HA for a "Certificate of Eligibility to Purchase (White Form Status)".
- 2.9 The holder of "Certificate of Eligibility to Purchase (White Form Status)" of the HA can enter into a Provisional Agreement for Sale and Purchase of a flat in respect of which a "Certificate of Availability for Sale" has been issued by the HA and subject to the following in respect of flats sold by the HA under the Green Form Subsidised Home Ownership Scheme ("GSH"):
- (a) Except as provided in sub-clause (b) below, the holder of this Certificate shall not be eligible to purchase a flat sold by HA under GSH;
 - (b) The holder of this Certificate shall be eligible to purchase a flat in King Tai Court after the expiry of five years from the date of first assignment of the flat.

- 2.10 Owner who holds a valid “Certificate of Eligibility to Purchase” can purchase a New Flat which is smaller ^{Note 2} than the original Flat through the FFSS Secondary Market Scheme of HS or HOS Secondary Market Scheme of HA without payment of premium at any time from the date of “Certificate of Eligibility to Purchase”, and such New Flat so purchased shall be for co-occupation by all the owner(s) and the listed family members. For purchase of New Flat, owners are also required to apply for a Letter of Nomination to the HS (for flats purchased through the FFSS Secondary Market Scheme) or to the HA (for flats purchased through the HOS Secondary Market Scheme) and further provide (i) the original “Trade Down Permit” (with the saleable area of the original Flat stated), (ii) saleable area of the New Flat and (iii) no domestic property declaration made at the date of application of Letter of Nomination. The “Trade Down Permit” will be kept by the HS or HA.
- 2.11 For any purchase transaction on the FFSS Secondary Market Scheme or HOS Secondary Market Scheme under the Flat for Flat Pilot Scheme, owner shall be subject to prevailing policy and operation mechanism of the FFSS Secondary Market Scheme or HOS Secondary Market Scheme (as the case may be).
- 2.12 The “Certificate of Eligibility to Purchase”:
- 2.12.1 **is non-transferrable or non-inheritable and applicable to the holder of the “Certificate of Eligibility to Purchase” only.**
- 2.12.2 **will be void if the owner or any one of the listed family members (see below paragraph 3.1.4) purchases any domestic property in Hong Kong during the period from 24 months preceding the date of application for “Trade Down Permit” and up to the time of signing provisional agreement for sale and purchase of the New Flat, even if the property is subsequently sold during the said period.**
- 2.13 Owner and potential purchasers/sellers on the FFSS Secondary Market Scheme or HOS Secondary Market Scheme shall pay their respective portion of stamp duty as agreed between the parties for each transaction carried out under the Flat for Flat Pilot Scheme. In addition to the stamp duty for each transaction, owner may be required to pay, including but not limited to, the following fees as they go through the procedure for the sale and purchase arrangements:
- Commission fee charged by estate agent(s) for the conveyancing work (if the transaction was completed through estate agent(s)); and
 - Legal fee charged by lawyers for handling the conveyancing

Note 2 Such “trade down” shall be defined in terms of saleable area only, which is based on the saleable area of the property stored in the property records of the Rating and Valuation Department. The information is available from the Rating and Valuation Department property information at a cost of HK\$9 per enquiry online services or HK\$20 per enquiry in person (current rate subject to adjustment from time to time).

arrangements (if lawyers were engaged for handling the conveyancing of properties).

- 2.14 The Flat for Flat Pilot Scheme is subject to the terms and conditions stated in the relevant Government Land Grants, Modification Letters, Government Lease, Housing Ordinance, “Trade Down Permit”, “Certificate of Availability for Sale” and “Certificate of Eligibility to Purchase” issued by HS and/or “Certificate of Eligibility to Purchase (White Form Status)” issued by HA to applicant(s), and the terms and conditions as stipulated by relevant government departments from time to time. In the event of any controversies or inconsistencies between the terms and conditions stated in the “Trade Down Permit”, “Certificate of Availability for Sale” and “Certificate of Eligibility to Purchase” and the terms and conditions as stipulated by relevant government departments in respect of the Flat for Flat Pilot Scheme from time to time, then those terms and conditions as stipulated by relevant government departments in respect of the Flat for Flat Pilot Scheme from time to time shall prevail over the terms and conditions stated in the “Trade Down Permit”, “Certificate of Availability for Sale” and “Certificate of Eligibility to Purchase” issued by HS and/or “Certificate of Eligibility to Purchase (White Form Status)” issued by HA applicable to applicant(s).
