Well-off Tenants Policy

(2025年6月)
(June 2025)

Background

To ensure that public rental housing is allocated rationally to those in genuine need, the Hong Kong Housing Society (HKHS) has implemented the “Well-Off Tenants Policy” (WTP) since 1 September 2018. To further safeguarding rational allocation of precious public housing resources, HKHS has announced the enhanced WTP on 17 October 2023 which will come into effect on 1 April 2024.

Target Households

The coverage of WTP extends to all households who have to sign new Tenancy Agreements with HKHS, including but not limited to:

- New households of HKHS’s rental estates
- Household members being granted new tenancies under “Take Over Tenancy Policy”
- Households entering into new tenancy agreements due to all kinds of transfer, including but not limited to redevelopment, under-occupation, overcrowding, “Cross Generation Living Scheme”, etc.
- Starting from September 2025, HKHS will extend the WTP in phases to include tenants not covered by the current WTP through a **simplified procedure**, namely: “Offer of a New Tenancy by HKHS” and “Acceptance of the Offer by Continuing to Pay Rent by the Tenant”. No signature will be required for the new tenancy agreement. For details, please refer to the latest announcements from the HKHS.

Households Exempted from the Domestic Property Ownership in Hong Kong, Income and Assets Declaration

- (i) All members aged 60 or above; or
- (ii) All members receiving Comprehensive Social Security Assistance (CSSA); or
- (iii) All members receiving Social Welfare Department’s Disability Allowance; or
- (iv) All members in different combinations of (i), (ii) and / or (iii) above.

Basic Principles

- Households are required to declare income, assets and domestic property ownership in Hong Kong according to their respective declaration cycles.
- Tenants and all household members listed on the declaration form must sign the form to indicate their knowledge of, consent to and compliance with the clauses and conditions of the declaration form. They must also authorise HKHS to check their information with relevant government departments and public / private organisations.
- Households whose household income exceeds 5 times the HKHS’s prevailing application Waiting List Income Limit (WLIL) of the rental estates or whose total net household asset value exceed 100 times the HKHS’s prevailing application WLIL of the rental estates will need to vacate their rental flats.
- Households who have domestic property ownership in Hong Kong will need to vacate their rental flats, irrespective of their levels of income or assets.

- For households who do not have domestic property ownership in Hong Kong and whose household income and assets do not exceed the prevailing levels of income and assets, they may continue to live in their rental flats and pay differential rent plus rates (if applicable) according to their household income level:
 - (i) Pay normal rent if the household income does not exceed 2 times the HKHS's prevailing application WLIL of the rental estates;
 - (ii) Pay 1.5 times rent if the household income exceeds 2 times and not more than 3 times the HKHS's prevailing application WLIL of the rental estates;
 - (iii) Pay double rent if the household income exceeds 3 times and not more than 5 times the HKHS's prevailing application WLIL of the rental estates.
- * HKHS is currently reviewing the additional rent level under the WTP. Please refer to the latest announcement for further details.

Declaration Arrangements

Declaration on Occupancy Status and Particulars of Domestic Property Ownership in Hong Kong

Tenants and all household members are required to make declarations to HKHS every two years upon commencement of the tenancy agreement with WTP clauses on whether they:

- (i) own any domestic property in Hong Kong.
 - (ii) have retained regular and continuous residence in rental flats.
 - (iii) have complied with the clauses in the Tenancy Agreement regarding occupancy status.
- Tenants and all household members are required to undertake to declare to HKHS after having acquired a domestic property in Hong Kong within one month (including enter into provisional agreement).
 - Households who are exempted from making declaration under the WTP are not required to declare whether they own any domestic property in Hong Kong, they are only required to declare their occupancy status.
 - Households who refuse to declare will have their tenancies terminated.

Declaration on Income, Assets, Occupancy Status and Particulars of Domestic Property Ownership in Hong Kong

- 10 years after the commencement of the tenancy agreement with WTP clauses, households are required to make a declaration biennially on household income, assets, occupancy status and domestic property ownership in Hong Kong if there is no change in family circumstances. If there is a change in family circumstances, even though the tenancy agreement has been in force for less than 10 years, the household is required to make a declaration biennially on household income, assets, domestic property ownership in Hong Kong and occupancy status.
- Beside of declaration on occupancy status, households will first declare whether they have domestic property ownership in Hong Kong and their total household net asset value exceeds 100 times the HKHS's prevailing application WLIL of the rental estates (No supporting documents are required at this stage). If the households declare to have domestic property ownership in Hong Kong / their total household net asset value exceeds 100 times the HKHS's prevailing application WLIL of the rental estates, they are not required to declare any further details.
