## 企業管治報告

### Corporate Governance Structure

Hong Kong Housing Society, established in 1948 and incorporated in 1951 by the Hong Kong Housing Society Incorporation Ordinance (Cap 1059), is an independent, not-for-profit organisation governed by members.

The Housing Society operates under a two-tier board governance structure comprising a Supervisory Board and an Executive Committee. The Supervisory Board sets the vision, mission, core values and guiding principles of the Housing Society, which are the significant and integral elements to promulgate the values and beliefs of the Housing Society; the Executive Committee sets strategies and monitors the performance of the Management. The Housing Society is committed to upholding the highest standards of corporate governance in the balanced interests of our various stakeholders. Transparency and the pursuit of best practices are the cornerstones of this commitment which, coupled with our values and beliefs, ensure that we remain at the highest echelons of corporate citizenship.

### Membership of Housing Society

The Housing Society has a total of 114 members as at 31 March 2011, 48 of them serving on the Supervisory Board, the Executive Committee and various Committees.

The membership year of the Supervisory Board, the Executive Committee and the various Committees is the period between the holding of two consecutive annual general meetings. The term of office of Board and Committee members is normally three years, but one-third of the existing members of the Supervisory Board and the Executive Committee, excluding the ex officio members and the Chief Executive Officer and Executive Director of the Housing Society, retire every year to maintain a balance between continuity and the introduction of new blood.
